International Travel Information

Please take the time to read prior to your flight, the following contains helpful information:

- **Names:** Please ensure the salutation, given name and surname of all travellers on this itinerary are correctly match with the names printed on the passports
- **Pricing & Taxes:** All pricing and costs quoted are subject to change without any notification due to airline/operator increases and/or currently fluctuations. Prices can only be guaranteed when paid in full and tickets and documents are issued. Many countries require to settle an additional departure tax upon departure. Please ensure you have sufficient local currency to pay at the port of departure.
- **No show/ cancellation penalties:** You may incur an airline no-show fee if you fail to notify the airline or American Express that you are unable to travel on the flights you have booked. Additionally failure to cancel the flight reservation may deem your ticket unusable and non refundable. Certain categories of fares have penalties applicable if cancellation within stipulated time. If not cancelled within these time-frames, the ticket is deemed no show. No show/cancellation penalties also apply to hotels/car rentals. Generally, hotels/car rentals need to be cancelled within 24 hours prior to check-in. Please observe hotel/car policy and obtain cancellation number.
- **Check In:** We recommend travellers to do online/mobile check-in from 48 hours to 2 hours before flight departure. For counter check-in you may check in between 2 to 3 hours before the international flight departure (for confirmed flight bookings). We suggest onward reservations and flight times are reconfirmed 72 hours prior to departure. Due to heightened security, the airlines check in time and reconfirmation policies may differ. Please check with your airline for the latest information.
- **Visa:** Please ensure you have any applicable visas for the countries you are visiting or transiting. It is your responsibility to obtain correct visa documentation and American Express Travel is happy to provide information and assistance.
- **Passport:** If you are travelling internationally, please ensure you are holding a passport that has at least 6 months validity beyond the last day of the ensuing trip.
- **Reconfirmation:** We suggest onward reservations and flight times are reconfirmed 72 hours prior to departure.
- **Frequent Flyer:** Please retain your boarding passes to assist in the reconciliation of your frequent flyer statements. At time of check in the airline can reconfirm that your frequent flyer number is entered.
